LESSON 1: IMAN (FAITH)

1) Definitions

Iman comes from the Arabic root word "Amnun" which means:

- To believe
- To trust
- To accept
- To recognize

In Islam, Iman means: Believing in the basic rules of Islam with your heart, saying them with your tongue, and showing them through your actions.

Who is a Mumin? A person who has complete faith in all the fundamental beliefs of Islam is called a Mumin (believer).

Iman Mufassal (Detailed Faith Formula): "I believe in Allah, His Angels, His Books, His Messengers, the Last Day, and that good and bad fate comes from Allah, and in life after death."

2) Summary (1/3 of Original)

What is Iman?

Iman is faith. It means you believe in Allah and all the basic teachings of Islam from your heart. You also say it with your tongue and show it in your actions. Without Iman, a person cannot be a Muslim.

Relationship Between Iman and Islam

Iman and Islam are like a tree. Iman is like the roots underground. Islam is like the branches above ground. Roots alone have no value without branches. Branches cannot grow without roots. So both need each other. Iman is what you believe inside. Islam is how you worship and act outside.

Seven Fundamental Aspects of Iman

A Muslim must believe in seven things:

1. **Faith in Allah** - Allah is One. He is the Creator, Nourisher, and Sustainer. Only He deserves worship.
2. **Belief in Angels** - Angels are created from light. They obey Allah and do His work. They are not male or female.
3. **Belief in Revealed Books** - Allah sent down 104 books to guide humans. Four are major: Tawrat, Zabur, Injil, and Quran.
4. **Belief in Prophets and Messengers** - Allah sent many Prophets to guide people. They were sinless and the best of all creation.
5. **Belief in Akhirat (Life After Death)** - There is a second life after death. Good people will go to Paradise. Bad people will go to Hell.
6. **Belief in Taqdir (Fate)** - Everything good or bad happens by Allah's will. Man tries his best but results come from Allah.
7. **Belief in Resurrection** - After death, Allah will bring everyone back to life on Judgment Day for accounting.

Importance of Iman in Human Values

Iman makes a person better. A believer:

- Worships only Allah and bows to no one else
- Becomes self-respectful
- Follows honesty, justice, kindness, and mercy
- Stays away from bad deeds out of fear of Allah
- Remembers he will answer to Allah one day

Iman and human values are connected. A true believer cannot do bad things like lying, cheating, or hurting others.

3) Caveman Mode

IMAN = BELIEF IN HEART + WORDS FROM MOUTH + ACTIONS FROM BODY

7 THINGS YOU MUST BELIEVE:

1. ALLAH = ONE GOD. NO PARTNER. HE MADE EVERYTHING.
2. ANGELS = MADE FROM LIGHT. OBEY ALLAH. NO EATING, NO SLEEPING.
3. BOOKS = ALLAH SENT 104 BOOKS. QURAN IS LAST AND BEST.
4. PROPHETS = BEST HUMANS. NO SINS. THEY TAUGHT PEOPLE.
5. AFTERLIFE = YOU DIE, THEN LIVE AGAIN. GOOD = PARADISE. BAD = HELL.
6. FATE = ALLAH CONTROLS GOOD AND BAD. YOU TRY, ALLAH DECIDES.
7. RESURRECTION = ALLAH WILL WAKE ALL DEAD PEOPLE ON JUDGMENT DAY.

IMAN AND ISLAM = LIKE TREE.

ROOTS = IMAN (INNER BELIEF)

BRANCHES = ISLAM (OUTER ACTIONS LIKE PRAYER)

BOTH NEED EACH OTHER.

IMAN MAKES YOU GOOD HUMAN:

WORSHIP ONLY ALLAH → YOU FEEL STRONG AND FREE

FEAR ALLAH'S JUDGMENT → YOU STAY AWAY FROM BAD DEEDS

REMEMBER AFTERLIFE → YOU DO GOOD DEEDS NOW

4) Short Memorize Flow

```
IMAN
|
|— Meaning: Believe + Speak + Act
|
|— 7 Pillars of Belief:
|   1 Allah (One God)
|   2 Angels (Light beings)
|   3 Books (104 total, 4 major)
|   4 Prophets (Sinless guides)
|   5 Afterlife (Paradise/Hell)
|   6 Fate (Allah decides)
|   7 Resurrection (Wake after death)
|
|— Tree Example:
|   🌳 Roots = Iman
|   🌿 Branches = Islam
|
|— Result:
|   ✓ Self-respect
|   ✓ Good character
|   ✓ Stay away from sin
```

LESSON 2: KUFR (DISBELIEF)

1) Definitions

Kufr comes from Arabic meaning:

- To reject
- To disbelieve
- To cover or hide
- To show ungratefulness
- To be disobedient

In Islam, Kufr means: Rejecting or disbelieving in any of the basic beliefs of Islam.

Kafir: A person who disbelieves in any fundamental teaching of Islam is called a Kafir (unbeliever).

How a person becomes Kafir:

- Saying Allah does not exist
 - Rejecting Allah's qualities (like Creator, Sustainer)
 - Not believing in Angels, Books, Prophets, Afterlife, or Fate
 - Rejecting Salat, Zakat, Sawm, Hajj
 - Calling haram things halal (like drinking wine, gambling)
 - Mocking Islamic teachings or the Prophet (Sm.)
 - Imitating unbelievers' religious symbols by choice
-

2) Summary (1/3 of Original)

What is Kufr?

Kufr is the opposite of Iman. When Iman means believing, Kufr means disbelieving. If someone rejects any basic teaching of Islam, that is Kufr.

Who is a Kafir?

A Kafir is someone who:

- Denies Allah's existence
- Rejects Allah's attributes
- Does not believe in angels, books, prophets, afterlife, or fate
- Refuses basic worships like prayer, fasting, zakat, hajj
- Makes haram things halal (like alcohol, gambling, bribery)
- Makes fun of Islamic teachings
- Copies non-Muslim religious practices willingly

If someone does these things, they must repent sincerely and renew their Iman.

Bad Consequences of Kufr

- a. Disobedience and Ingratitude** A Kafir rejects Allah who created him and gives him everything. He becomes ungrateful and disobeys Allah's orders.
- b. Increase of Sin** Without belief in afterlife and judgment, a Kafir thinks he can do anything. He steals, cheats, and does bad things because he doesn't fear punishment.
- c. Despair** A Kafir does not believe in fate. When bad things happen, he has no patience. When he fails, he loses all hope because he doesn't trust Allah.
- d. Spread of Immorality** Without faith in heaven and hell, a Kafir does bad things like lying, corruption, and hurting others for worldly gain.
- e. Allah's Displeasure** Allah becomes angry with the Kafir because he rebels against Him. No matter how rich or powerful, a person with Allah's displeasure is destroyed.
- f. Eternal Punishment** In afterlife, Kafirs will stay in Hell forever. The Quran says: "Those who disbelieve and reject our signs will abide in Hell forever." (Sura Al-Baqara, Ayat 39)
-

3) Caveman Mode

KUFR = SAYING NO TO ISLAM'S BASIC BELIEFS

HOW TO BECOME KAFIR (DON'T DO THIS!):

- SAY "NO ALLAH"
- SAY ALLAH NOT CREATOR
- REJECT ANGELS, BOOKS, PROPHETS
- MOCK ISLAM
- MAKE ALCOHOL "OKAY"
- COPY OTHER RELIGIONS BY CHOICE

BAD RESULTS:

1. UNGRATEFUL TO ALLAH → ALLAH GAVE YOU LIFE, YOU SAY "NO THANKS"
2. SIN FREELY → NO FEAR OF HELL, SO DO ANY BAD THING
3. DESPAIR → WHEN SAD, NO HOPE. NO TRUST IN ALLAH.
4. IMMORALITY → LYING, STEALING, HURTING OTHERS
5. ALLAH ANGRY → NO MATTER HOW RICH, YOU ARE DOOMED
6. HELL FOREVER → WORST PUNISHMENT, NEVER ENDS

SOLUTION IF YOU DID IT BY MISTAKE:

SAY SORRY TO ALLAH WITH TRUE HEART + PROMISE NEVER AGAIN + RENEW IMAN

4) Short Memorize Flow

```
KUFR (Opposite of Iman)
|
|— Meaning: Reject Islamic beliefs
|
|— Ways to become Kafir:
|   ✕ Deny Allah
|   ✕ Reject basic 7 beliefs
|   ✕ Mock Islam
|   ✕ Make haram = halal
|
|— 6 Bad Results:
|   1 Ungrateful to Creator
|   2 Sin increases
|   3 Despair in bad times
|   4 Immorality spreads
|   5 Allah displeased
|   6 Hell forever
```

LESSON 3: SHIRK (POLYTHEISM)

1) Definitions

Shirk comes from Arabic meaning:

- To believe in a partner
- To believe in multiple creators or gods

In Islam, Shirk means: Associating someone or something with Allah as His partner, rival, or equal.

Mushrik: A person who commits Shirk is called a Mushrik (polytheist).

Shirk is the opposite of Tawhid. Tawhid says Allah is One. Shirk says Allah has partners.

Forms of Shirk:

- Worshipping idols, statues, or images

- Believing someone else shares Allah's power
 - Asking help from dead people in graves
 - Believing stars, planets, or nature control destiny
 - Loving or fearing someone as much as or more than Allah
-

2) Summary (1/3 of Original)

What is Shirk?

Shirk means making someone equal to Allah. It is the opposite of Tawhid (oneness of Allah). Allah says in Quran: "Say, He is Allah, One and Only" (Sura Ikhlas, Ayat 1) and "There is nothing like Him" (Sura Shura, Ayat 11).

Different Types of Shirk

People can do Shirk by:

1. **Worshipping idols or statues** - Making pictures or statues as objects of worship
2. **Believing in multiple gods** - Thinking there are other creators
3. **Asking dead people for help** - Praying to people in graves
4. **Believing in superstitions** - Thinking stars or objects control life
5. **Giving Allah's qualities to others** - Saying someone else knows everything or hears everything

Why Shirk is the Biggest Sin

a. Shirk is Unforgivable The Quran clearly says: "Surely, Allah will not forgive the sin of Shirk. Besides Shirk, He may forgive any other sin." (Sura An-Nisa, Ayat 48)

This means if someone dies doing Shirk without repenting, Allah will not forgive them.

b. Paradise is Forbidden for Mushriks The Quran states: "Allah will certainly make paradise forbidden for the polytheists. Their abode is the hell." (Sura Al-Maida, Ayat 72)

c. All Good Deeds are Wasted If someone does Shirk, all their good deeds become worthless. They will not get any reward.

Remedy for Shirk

If someone commits Shirk even by mistake:

1. Restore Iman immediately
2. Repent sincerely from heart
3. Ask Allah for forgiveness
4. Promise never to do it again

Then Allah may forgive out of His mercy.

How to Avoid Shirk

- Have firm belief in One Allah
- Worship only Allah
- Ask help only from Allah
- Don't believe in superstitions
- Stay away from idol worship

3) Caveman Mode

SHIRK = MAKING PARTNERS WITH ALLAH = BIGGEST SIN EVER

WHAT IS SHIRK:

- WORSHIPPING STATUES, PICTURES
- SAYING "THERE ARE MANY GODS"
- ASKING DEAD PEOPLE FOR HELP
- BELIEVING STARS CONTROL YOUR LIFE
- LOVING/FEARING SOMEONE LIKE ALLAH

WHY SHIRK IS WORST:

1. ALLAH NEVER FORGIVES IT (IF YOU DIE WITHOUT REPENTING)
2. PARADISE = CLOSED FOR YOU FOREVER
3. ALL GOOD DEEDS = THROWN IN DUSTBIN
4. DESTINATION = HELL

IF YOU DID SHIRK BY MISTAKE:

- ☒ SAY "LA ILAHA ILLALLAH" (NO GOD BUT ALLAH)
- ☒ CRY TO ALLAH FOR FORGIVENESS
- ☒ PROMISE "NEVER AGAIN"
- ☒ ONLY THEN ALLAH MIGHT FORGIVE

STAY SAFE:

BELIEVE ONLY ALLAH → WORSHIP ONLY ALLAH → ASK ONLY ALLAH

4) Short Memorize Flow

```
SHIRK (Biggest Sin)
|
|— Meaning: Partner with Allah
|
|— Types:
|   ♦ Idol worship
|   ♦ Multiple gods
|   ♦ Grave worship
|   ♦ Superstitions
|
|— Consequences:
|   ✗ Never forgiven (without repentance)
|   ✗ Paradise forbidden
|   ✗ Good deeds wasted
|   ✗ Hell forever
|
|— Remedy:
|   ✓ Repent sincerely
|   ✓ Renew Iman
|   ✓ Promise never again
```

LESSON 4: NIFAQ (HYPOCRISY)

1) Definitions

Nifaq comes from Arabic meaning:

- False appearance
- Duplicity
- Deceit
- Fraud
- Showing one thing, hiding another

In Islam, Nifaq means: Saying you are Muslim with your tongue, but hiding disbelief (Kufr) in your heart.

Munafiq (Hypocrite): A person who does Nifaq is called a Munafiq. They pretend to be Muslims but are actually disbelievers inside.

Three Signs of a Munafiq (from Hadith): The Prophet (Sm.) said: "A Munafiq has three signs:

1. When he speaks, he tells a lie
 2. When he promises, he breaks it
 3. When something is kept in his trust, he betrays it" (Sahih Bukhari)
-

2) Summary (1/3 of Original)

What is Nifaq?

Nifaq means hypocrisy. A Munafiq shows Islam on the outside but hides disbelief inside. They pray with Muslims but don't believe in their hearts.

Three Main Signs of Munafiqs

- 1. Lying when speaking** Munafiqs cannot be trusted because they always lie. Truth is not in their nature.
- 2. Breaking promises** When a Munafiq gives his word, he doesn't keep it. Promises mean nothing to him.
- 3. Betraying trust** If you give something to a Munafiq for safekeeping, he will misuse or grab it. He is not trustworthy.

Bad Effects of Nifaq

- a. Destroys Character** Nifaq kills good character. The Munafiq becomes a habitual liar. Allah says in Quran: "And Allah testifies that certainly the hypocrites are liars." (Sura Al-Munafiqun, Ayat 1)
- b. Makes a Person Untrustworthy** Nobody can trust a Munafiq. In society, people avoid and hate hypocrites.
- c. Creates Disorder** Munafiqs create problems in society by:
 - Spreading false news

- Breaking agreements
- Causing fights between people
- Working against Muslims secretly

d. Worse than Open Disbelievers Munafiqs are more dangerous than open Kafirs because:

- Kafirs are known enemies
- Munafiqs pretend to be friends but are enemies inside
- You can protect yourself from known enemies, not from hidden ones

e. Punishment in Hell The Quran says Munafiqs will be in the lowest level of Hell. They will get the worst punishment because they deceived believers.

Remedy

- Be honest in heart and tongue
- Match inner belief with outer actions
- Keep promises
- Protect trusts
- Fear Allah's punishment

3) Caveman Mode

NIFAQ = FAKE MUSLIM

OUTSIDE = "I AM MUSLIM"

INSIDE = "I DON'T BELIEVE"

3 SIGNS OF FAKE MUSLIM:

1. LIES WHEN TALKS
2. BREAKS PROMISES
3. STEALS WHEN YOU TRUST HIM

WHY FAKE MUSLIMS ARE BAD:

- NOBODY CAN TRUST THEM
- THEY LIE ALL THE TIME
- THEY CREATE FIGHTS AND PROBLEMS
- THEY ARE WORSE THAN OPEN ENEMIES
- SECRET ENEMY > KNOWN ENEMY

PUNISHMENT:

LOWEST LEVEL OF HELL 🔥 (WORST PLACE)

HOW TO NOT BE FAKE:

BE HONEST INSIDE AND OUTSIDE

KEEP YOUR WORD

DON'T LIE

PROTECT WHAT PEOPLE GIVE YOU

4) Short Memorize Flow

```
NIFAQ (Hypocrisy)
|
|— Meaning: Outside Muslim, Inside Kafir
|
|— 3 Signs (Hadith):
|   1 Speaks = Lies
|   2 Promises = Breaks
|   3 Trusted = Betrays
|
|— Bad Effects:
|   ♦ Character destroyed
|   ♦ Untrustworthy
|   ♦ Creates disorder
|   ♦ Worse than open Kafirs
|
|— Punishment:
|   🔥 Lowest Hell
```

LESSON 5: RISALAT (PROPHETHOOD)

1) Definitions

Risalat comes from Arabic meaning:

- Message
- Carrying a letter or news
- Discharging a noble responsibility

In Islam, Risalat means: Conveying the holy words of Allah to mankind.

Rasul (Messenger): The person who performs this duty is called Rasul. Plural is Rusul.

Nabuwwat (Prophethood): The status of being a Prophet. Every Rasul is a Nabi, but not every Nabi is a Rasul.

Difference between Nabi and Rasul:

- Nabi: Receives guidance from Allah but may not have a new book or shariat
- Rasul: Receives a new book or shariat from Allah to deliver to people

Khatamun Nabiyyin (Seal of Prophets): The last Prophet after whom no Prophet will come. This is Prophet Muhammad (Sm.).

2) Summary (1/3 of Original)

Importance of Belief in Risalat

Believing in Risalat is as important as believing in Tawhid. The Kalima (La Ilaha Illallah Muhammadur Rasulullah) has two parts:

1. First part = Tawhid (Allah is One)
2. Second part = Risalat (Muhammad is Messenger)

Without belief in Risalat, nobody can be Muslim because:

- Human knowledge is limited
- We cannot know Allah fully by ourselves
- Prophets taught us about Allah, His qualities, and His commands
- Without Prophets, we would not know how to worship Allah or live properly

Purpose of Sending Prophets

Allah sent Prophets to:

1. **Introduce Allah** - Tell people about Allah's being, qualities, and power
2. **Call to truth** - Invite people to leave bad ways and follow good
3. **Teach worship** - Show how to pray, fast, and serve Allah
4. **Inform about Afterlife** - Tell people about Paradise, Hell, and Judgment Day
5. **Give practical example** - Show by their own lives how to follow Allah's commands

Qualities of Prophets

1. Intense Faithfulness Prophets are completely loyal to Allah. They follow divine directions in everything they say and do.

2. Wisdom and Intelligence Prophets are extremely wise and smart. They understand matters deeply.

3. Free from Sins Prophets are sinless. Allah protects them from all wrongdoings and obscenities. Example: Prophet Yusuf (As.) stayed away from sin even when tempted.

4. Best Character Prophets have the most excellent manners. They are honest, truthful, just, merciful, forgiving, and patient. They never lie, cheat, backbite, hate, or envy.

5. Commitment to Mission Prophets never show laziness in their duty. They patiently bear oppression and torture but continue delivering Allah's message.

6. Self-Sacrifice Prophets give up worldly comforts for Allah's work. Example: Prophet Muhammad (Sm.) left his home in Makkah and migrated to Madinah for Islam.

Chain of Prophethood

- First Prophet: Hazrat Adam (As.)
- Last Prophet: Hazrat Muhammad (Sm.)
- Many Prophets came in between
- All Prophets taught the same basic message: Tawhid (Oneness of Allah)
- Every nation received a guide (Prophet)

The Quran says: "There were guides for all the communities." (Sura Ar-Raad, Ayat 7)

Khatamun Nabuwat (Seal of Prophethood)

Prophet Muhammad (Sm.) is the last and final Prophet. The Quran says: "He is the Messenger of Allah and the last Prophet." (Sura Al-Ahzab, Ayat 40)

Meaning of Khatamun Nabiyyin: Just like a seal closes a letter, Prophet Muhammad (Sm.) closed the line of Prophets. No new Prophet can come after him.

Important Points:

- No true Prophet has come after Muhammad (Sm.)
- No Prophet will come until Doomsday
- Anyone claiming prophethood after him is a liar
- The Prophet said: "I am the seal of the Prophets, after me there is no Prophet." (Sahih Muslim)
- We must reject all false prophets

3) Caveman Mode

RISALAT = ALLAH SENDS MESSAGE THROUGH SPECIAL PEOPLE

KALIMA HAS 2 PARTS:

1. NO GOD BUT ALLAH (TAWHID)
2. MUHAMMAD IS MESSENGER (RISALAT)

YOU MUST BELIEVE BOTH OR NOT MUSLIM!

WHY PROPHETS CAME:

- TELL US ABOUT ALLAH (WE CAN'T KNOW BY OURSELVES)
- SHOW US HOW TO LIVE
- TEACH US HOW TO PRAY
- WARN US ABOUT AFTERLIFE
- SHOW EXAMPLE BY THEIR OWN LIFE

PROPHETS ARE SPECIAL:

- ☒ 100% LOYAL TO ALLAH
- ☒ SUPER WISE AND SMART
- ☒ NEVER SIN
- ☒ BEST MANNERS
- ☒ NEVER LAZY IN THEIR WORK
- ☒ READY TO SACRIFICE EVERYTHING

PROPHET TIMELINE:

FIRST → ADAM (AS.)

MANY IN BETWEEN

LAST → MUHAMMAD (SM.)

NO ONE AFTER HIM! (SEAL = CLOSED FOREVER)

ANYONE CLAIMING "I AM PROPHET" AFTER MUHAMMAD = LIAR!

4) Short Memorize Flow

```
RISALAT (Prophethood)
|
|— Kalima = Tawhid + Risalat (Both needed)
|
|
|— 5 Purposes:
|   1 Introduce Allah
|   2 Call to truth
|   3 Teach worship
|   4 Warn about Afterlife
|   5 Give practical example
|
|
|— 6 Qualities of Prophets:
|   ★ Faithful
|   ★ Wise
|   ★ Sinless
|   ★ Best character
|   ★ Committed
|   ★ Self-sacrificing
|
|— Chain:
    Adam (First) → ... → Muhammad (Last/Seal)
    After Muhammad = NO MORE PROPHETS
```

LESSON 6: AKHIRAT (LIFE AFTER DEATH)

1) Definitions

Akhirat means:

- The After-Life
- The life that comes after death
- The eternal life

Two Phases of Human Life:

1. **Dunya** - This worldly life (temporary)
2. **Akhirat** - The next life (eternal, never-ending)

Key Features of Akhirat:

- It has a beginning but NO end
 - Man will give account of earthly deeds
 - Good deeds = Paradise
 - Bad deeds = Hell
-

2) Summary (1/3 of Original)

Importance of Belief in Akhirat

Belief in Akhirat is one of the seven fundamental beliefs of Iman. Without it, a person cannot be a true Mumin.

The Quran says: "And they (the Allah-fearing) hold firm belief in Akhirat." (Sura Al-Baqara, Ayat 4)

Why Belief in Akhirat is Essential

1. Part of Complete Iman Just like Tawhid and Risalat, belief in Akhirat is necessary. Without it, Iman is incomplete.

2. Prevents Misguidance The Quran says: "If one disbelieves in Allah, His Angels, His Scriptures, His Prophets and the Last Day, one will deplorably go astray." (Sura An-Nisa, Ayat 136)

3. Restrains from Sin When a person knows he will stand before Allah and give account, he fears doing bad deeds.

4. Inspires Good Deeds Hope of Paradise makes a person do good. Fear of Hell keeps him away from evil.

5. Creates Accountability A believer in Akhirat thinks before acting: "Allah is watching. I will answer for this."

What Happens Without Belief in Akhirat

- A person does whatever he wants
- He thinks there is no judgment
- He steals, lies, cheats without fear

- Society becomes full of crime and sin
- No motivation to be good

Benefits of Believing in Akhirat

- Life becomes responsible and clean
 - Person develops good character
 - Society becomes peaceful
 - Justice prevails because people fear Allah's judgment
-

3) Caveman Mode

AKHIRAT = LIFE AFTER YOU DIE

TWO LIVES:

LIFE 1 = EARTH (TEMPORARY, 60-70 YEARS)

LIFE 2 = AKHIRAT (FOREVER, NEVER ENDS)

WHY BELIEVE IN AFTERLIFE:

1. PART OF BEING MUSLIM (MUST BELIEVE!)
2. WITHOUT IT → YOU GO ASTRAY
3. FEAR OF JUDGMENT → YOU STAY AWAY FROM BAD
4. HOPE OF PARADISE → YOU DO GOOD DEEDS
5. YOU REMEMBER: ALLAH IS WATCHING ME!

PERSON WHO BELIEVES IN AFTERLIFE:

"BEFORE I DO THIS, WILL ALLAH BE HAPPY OR ANGRY?"

PERSON WHO DOESN'T BELIEVE:

"DO WHATEVER YOU WANT, NO ONE WILL ASK!"

RESULT:

BELIEVER = GOOD PERSON = PEACEFUL SOCIETY

NON-BELIEVER = BAD PERSON = CRIME EVERYWHERE

4) Short Memorize Flow

AKHIRAT (Life After Death)

- |
- |— Two Lives:
 - | ● Dunya (Temporary)
 - | 🕌 Akhirat (Eternal)
- |
- |— Why Important:
 - | 1 Part of Iman
 - | 2 Prevents misguidance
 - | 3 Restrains from sin
 - | 4 Inspires good deeds
 - | 5 Creates responsibility
- |
- |— Without Belief:
 - | ✗ No fear of judgment
 - | ✗ Crime increases
 - | ✗ Society destroyed
- |
- |— With Belief:
 - | ✓ Clean responsible life
 - | ✓ Good character
 - | ✓ Peaceful society

LESSON 7: STAGES OF AKHIRAT

1) Definitions of Each Stage

- a. Death** The end of earthly life. The gate to Akhirat. Every living being will taste death.
- b. Qabr (Grave)** The life from death until Resurrection. Also called "Barzakh" (barrier between two worlds).
- c. Qiyamat (Doomsday)** Two stages:
1. Total destruction of the universe
 2. Resurrection - Allah brings all dead back to life

d. Hashr (Grand Assembly) All humans from first to last gather in one vast field for judgment.

e. Mizan (Balance) The scale on which deeds are weighed. Good deeds on one side, bad on the other.

f. Sirat (Bridge) A dark bridge over Hell that everyone must cross. Good people cross safely. Bad people fall into Hell.

g. Shafaat (Intercession) The Prophet Muhammad (Sm.) will recommend and ask forgiveness for his true followers.

h. Jannat (Heaven/Paradise) The place of eternal peace and happiness for good people.

i. Jahannam (Hell) The place of terrible punishment for disbelievers and sinners.

2) Summary (1/3 of Original)

a. Death

Everyone will die. Allah says: "Every living being must taste death." (Sura Al-e-Imran, Ayat 185)

No one can escape death:

- Rich or poor
- Strong or weak
- King or common man
- Even in strong fortresses

Death comes at the fixed time. For good people, death is peaceful. For sinners, death is painful.

b. Qabr (Grave/Life in Barzakh)

After burial, two angels named **Munkar and Nakir** visit the grave. They ask three questions:

1. Who is your Lord? (Answer: Allah)
2. What is your religion? (Answer: Islam)
3. Who is this man? pointing to Prophet (Sm.) (Answer: Muhammad, Allah's Messenger)

- **Good Muslims** answer correctly. Their grave becomes peaceful and spacious.
- **Sinners/unbelievers** cannot answer. Their grave becomes tight and painful.

c. Qiyamat (Doomsday)

First Stage - Destruction: Angel Israfil (As.) blows the trumpet. Everything in the universe is destroyed:

- Mountains become like cotton
- Stars fall down
- All creatures die
- Only Allah remains

Second Stage - Resurrection: After a long time, the trumpet is blown again. All dead rise up and gather for judgment. This is called "Yawmul Baas" (Day of Rising).

d. Hashr (Grand Assembly)

All humans from Adam (As.) to the last person stand together in one huge field. The sun comes very close. People sweat heavily.

Seven groups get shade under Allah's Throne: One group = Those who worshipped Allah in their youth.

Record of Deeds:

- Good people get their record in **right hand**
- Bad people get their record in **left hand**

Pond of Kawthar: Prophet Muhammad (Sm.) will give its water to his true followers. Sinners will suffer terrible thirst.

e. Mizan (Balance)

Allah says: "On the Day of Resurrection, We shall install the Mizan of Justice." (Sura Al-Ambiya, Ayat 47)

Deeds are weighed:

- **Heavy good side** = Paradise
- **Heavy bad side** = Hell

Even tiny good or bad deeds will be weighed fairly.

f. Sirat (Bridge)

The Quran says: "Everyone of you will have to pass over it." (Sura Maryam, Ayat 71)

The Sirat is:

- A bridge over Hell
- Thinner than hair
- Sharper than sword

Crossing the Sirat:

- Good believers cross like lightning
- Some cross slowly
- Sinners slip and fall into Hell

g. Shafaat (Intercession)

After judgment, Prophet Muhammad (Sm.) will:

- Bow before Allah
- Ask forgiveness for his Ummah
- Many sinners will be forgiven

The Prophet said: "My Shafaat is for those who committed major sins in my Ummah."

h. Jannat (Heaven/Paradise)

There are **8 heavens**. Names include:

1. Jannatul Firdous
2. Daarul Maqam
3. Daarul Qarar
4. Daarus Salam
5. Jannatul Mawa
6. Jannatul Adn
7. Daarun Naim
8. Daarul Khuld

What is in Jannat:

- Rivers flowing beneath
- Beautiful gardens
- Everything you desire
- No sadness, no death, no pain
- Meeting with family and friends
- Seeing Allah (the greatest reward)

Allah says in Hadith Qudsi: "I have prepared for My virtuous servants such bounties as no eye has seen, no ear has heard, and no human heart has imagined."

i. Jahannam (Hell)

There are **7 levels of Hell**. Names include:

1. Jahannam (first level)
2. Laza
3. Hutama
4. Sair
5. Saqar
6. Jahim
7. Hawia (lowest level)

What is in Jahannam:

- Fire that never stops
- Boiling water to drink
- Thorny food that chokes
- Snakes and scorpions
- Intense pain and suffering

Who goes to Hell:

- Disbelievers (Kafirs) = Forever
- Sinful Muslims = For a time, then taken out
- The Quran says: "Then he who transgresses and prefers worldly life, for him Jahannam is the abode." (Sura An-Naziat, Ayats 37-39)

Role of Belief in Akhirat in Forming Moral Life

1) Definitions

Belief in Akhirat means believing that after death, there is an eternal life where everyone will be judged and rewarded or punished based on their deeds.

2) Summary

Belief in Akhirat has a huge role in making a person moral and pious:

How it Works:

- The world is the "farming field" for Akhirat
- Whatever you plant (do) here, you harvest (receive) there
- Good deeds here = Paradise there
- Bad deeds here = Hell there

Benefits:

1. Self-accountability - A believer checks his own actions daily
2. Hope of Paradise - Encourages doing good deeds
3. Fear of Hell - Prevents bad deeds
4. Even small deeds matter - Allah will show every tiny good or bad deed

Quranic Evidence: "If anybody performs an atom of good deed, he will see it. And if anybody performs an atom of evil deed, he will see it." (Sura Al-Zilzal, Ayats 7-8)

3) Caveman Mode

EARTH = FARM. AFTERLIFE = HARVEST.

PLANT GOOD SEEDS (PRAY, HELP, BE HONEST) = GET PARADISE 🌸

PLANT BAD SEEDS (LIE, STEAL, HURT) = GET HELL 🔥

BELIEF IN AFTERLIFE MAKES YOU:

- CHECK YOURSELF EVERY DAY
- DO GOOD FOR PARADISE HOPE
- AVOID BAD FOR HELL FEAR
- REMEMBER EVEN TINY DEEDS COUNT

NO BELIEF = DO WHATEVER = SOCIETY DESTROYED

4) Short Memorize Flow

BELIEF IN AKHIRAT → MORAL LIFE

├— World = Farming field

├— Afterlife = Harvest time

LESSON 1: SHARIAT

1) Definitions

Shariat is an Arabic word meaning:

- Way, path
- A clear and distinct road
- Way of life, laws, rules and regulations

In Islamic terminology: Shariat is the Islamic working principle or the Islamic way of life. It is the sum total of all commands, prohibitions, and guidance given by Allah and His Messenger (Sm.) for regulating human life.

Allah says: "Then we have established you on the Shariat by Our command. So you follow it and you shall not follow the whims of the ignorant." (Sura Al-Jathiya, Ayat 18)

2) Summary (1/3 of Original)

What is Shariat?

Shariat means the straight path. Following it leads a person safely to his destination. In Islam, it means all the laws and rules given by Allah and His Messenger.

Subject-Matter and Scope of Shariat

Shariat is a complete code of life. It covers everything a person needs from birth to death. Muslim scholars divided its subjects into three main heads:

- a. **Aqida** – Issues of faith (beliefs) b. **Morality and Conduct** – Rules of good character c. **Practical Life Laws** – Laws about daily activities

Nothing is outside the scope of Shariat.

Importance of Shariat

Observing Shariat pleases Allah and His Messenger. Rejecting Shariat is rejecting them. Even accepting part and rejecting part is a major sin.

The Quran says: "Do you then believe in a certain portion of the Book and reject another? Those among you who do this there are for them insult and reproach... severe punishment." (Sura Al-Baqara, Ayat 85)

Shariat teaches:

- What is Halal (lawful) and Haram (forbidden)
- What is Farz, Wajib, Sunnat, Mustahab, etc.
- How to perform Salat, Sawm, Zakat, Hajj
- Personal, family, social, economic rules
- Good character and morality

Four Sources of Shariat

Shariat is derived from four sources:

1. **Al-Quran** – The Book of Allah
2. **Sunnah** – The sayings, deeds, and approvals of Prophet (Sm.)

3. **Ijma** – Consensus of Muslim scholars

4. **Qiyas** – Analogical deduction

These four sources together form the foundation of Islamic law.

3) Caveman Mode

SHARIAT = ISLAMIC WAY OF LIFE = ROAD MAP FROM ALLAH

WHAT IT COVERS:

- 🗣️ BELIEFS (AQIDA) → WHAT TO BELIEVE
- ❤️ MORALITY → GOOD CHARACTER
- 🕌 WORSHIP → HOW TO PRAY, FAST, ETC.
- 👨👩 SOCIAL LIFE → FAMILY, BUSINESS, LAWS

WHY FOLLOW SHARIAT:

- ALLAH MADE IT → YOU OBEY
- REJECTING IT = REJECTING ALLAH
- TEACHES HALAL/HARAM
- SHOWS HOW TO LIVE

4 SOURCES OF SHARIAT:

1. QURAN 📖 (ALLAH'S BOOK)
2. SUNNAH 🕌 (PROPHET'S TEACHINGS)
3. IJMA 👥 (SCHOLARS' AGREEMENT)
4. QIYAS 📐 (LOGICAL REASONING)

FOLLOW SHARIAT = SUCCESS IN BOTH WORLDS

4) Short Memorize Flow

```
SHARIAT
|
|— Meaning: Clear path, Islamic law
|
|— Scope (3 Parts):
|   |— Aqida (Faith)
|   |— Morality (Character)
|   |— Practical Laws (Living)
|
|— Importance:
|   |— Pleases Allah
|   |— Defines Halal/Haram
|   |— Guides complete life
|
|— 4 Sources:
|   1 Quran
|   2 Sunnah
|   3 Ijma
|   4 Qiyas
```

LESSON 2: TILAWAT – ITS IMPORTANCE AND EXCELLENCE

1) Definitions

Tilawat means:

- To read, recite, follow
- The recitation or reading of Al-Quran

Tilawat-i-Nazira: Visual recitation of Al-Quran (reading from the book).

Tazbid: The method of correct and nice recitation of Al-Quran with proper pronunciation and rhythm.

Shan-i-Nuzul: The cause or background of revelation of a Sura or Ayat.

2) Summary (1/3 of Original)

How to Recite Al-Quran

Al-Quran can be recited from memory or visually from the book. At early learning stage, visual recitation with proper identification of letters and vowel marks (harkat) is very commendable.

Study with Understanding

Just reading the Quran is not enough. One must:

- Study with reflection and research
- Understand the meaning and spirit
- Think about its topics

Allah commands: "Then do they not ponder over Al-Quran, or are their hearts locked up?" (Sura Muhammad, Ayat 24)

The Quran itself says: "Surely we have rendered Al-Quran easy to understand. So, are there any solicitors of advice?" (Sura Al-Qamar, Ayat 22)

Importance of Proper Recitation (Tazbid)

Reciting incorrectly brings sin. Prayer (Salat) is not correct if Tilawat is wrong. Allah commands: "Recite the Quran slowly and clearly." (Sura Al-Muzammil, Ayat 4)

The Prophet (Sm.) said: "One who does not recite Al-Quran in a sweet tone or voice, he is not of us." (Bukhari)

Merit of Recitation

- Each letter recited brings reward, multiplied by ten (Tirmizi)
- The best worship for this Ummah is recitation of Al-Quran (Baihaqi)
- Quran is Noor (Light) that elevates the rank of the reciter
- It purifies the heart; the Prophet said: "These hearts become rusted as iron rusts with water. Its purifier is constant remembrance of death and profuse recitation of Al-Quran." (Baihaqi)

- A person who recites and acts upon Quran, his parents will be crowned with light brighter than the sun (Ahmad, Abu Daud)

Shan-i-Nuzul (Background of Revelation)

The Quran was not revealed all at once but in fragments over 23 years, often in response to a specific event or question. Knowing the background helps understand the true meaning and purpose of an Ayat.

3) Caveman Mode

TILAWAT = READING THE QURAN

JUST READING ≠ ENOUGH

YOU MUST:

- 👁️ RECITE CORRECTLY (TAZBID) → CLEAR AND SLOW
- 💬 UNDERSTAND THE MEANING
- ♥️ THINK DEEPLY ABOUT IT

WHY IT'S SPECIAL:

EACH LETTER = 10 REWARDS 💎

BEST WORSHIP FOR MUSLIMS 🕌

PURIFIES HEART LIKE WATER CLEANS RUST

LIGHT FOR YOU IN GRAVE

PARENTS GET CROWNS IN PARADISE

WRONG RECITATION = SIN

PRAYER NOT ACCEPTED IF RECITATION WRONG

SHAN-I-NUZUL = WHY THIS AYAT CAME DOWN (HELPS UNDERSTAND BETTER)

4) Short Memorize Flow

```
TILAWAT (Quran Recitation)
|
|— How: Correct, slow, with understanding
|
|— Tazbid = Proper pronunciation
|
|— Rewards:

|   |— Purifies heart
|   |— Light in grave
|

LESSON 3: SURA AL-INSHIRAH

1) Definitions

Sura Al-Inshirah is the 94th sura of Al-Quran, containing 8 Ayats, revealed in Makkah. The name comes from the word "Nashrah" meaning "expansion, relief".

Shan-i-Nuzul (Background): Before prophethood, Muhammad (Sm.) was highly respected. After he began calling to Islam, the Makkans started to oppose him fiercely—calling him poet, magician, insane, throwing camel intestine on him while praying, strewing thorns on his path, and torturing the new Muslims. The Prophet (Sm.) became worried and disappointed. This sura was revealed to console him.

2) Summary (1/3 of Original)

Translation (Meaning)

In the name of Allah, the Most Gracious, Most Merciful.

1. Have We not expanded your chest (given you comfort)?

2. And removed from you your burden
3. Which weighed down your back?
4. And raised high your fame (reputation)?
5. So indeed, with hardship comes ease.
6. Indeed, with hardship comes ease.
7. So when you are free (from duties), then labour hard (in worship)
8. And concentrate on your Lord.

Explanation

In this sura, Allah reminds the Prophet of His favours:

- Before Islam, the Prophet was distressed by the evil practices of Arabs. Allah gave him prophethood and expanded his heart with guidance and comfort.
- Allah removed his burdens: the pain of seeing his people in ignorance.
- Allah elevated his fame: today the Prophet's name is recited alongside Allah's in the Kalima, Azan, and prayers worldwide.
- The sura gives a powerful promise: hardship is always followed by ease. Two times it repeats this assurance.
- Allah instructs the Prophet that after finishing his daily tasks of preaching and caring, he should engage himself in intense worship and direct his heart to his Lord.

Teachings

1. Those who strive for truth receive Allah's help and heart-expansion.
2. Allah removes the sorrows and burdens of His servants.
3. Fame and honour are in Allah's hands; He elevates whom He wills.
4. Hardship is temporary; ease will come. Don't despair.
5. Every moment is valuable; utilize time well.
6. After worldly duties, dedicate yourself to worship and focus on Allah.

3) Caveman Mode

SURA AL-INSHIRAH (THE RELIEF/EXPANSION)

STORY:

PROPHET WAS SAD → MAKKANS TORTURING HIM → ALLAH SENT THIS SURA TO CHEER HIM UP

ALLAH SAYS:

"WE OPENED YOUR HEART" ❤️ (GAVE YOU PEACE)

"WE REMOVED YOUR BURDEN" 📦 (YOUR WORRIES)

"WE RAISED YOUR FAME" ★ (YOUR NAME IS FAMOUS NOW)

BIG MESSAGE:

HARDSHIP COMES WITH EASE → SAYS IT TWICE SO YOU BELIEVE!

AFTER PAIN → COMES COMFORT

WHAT TO DO:

WHEN FREE FROM WORK → WORSHIP ALLAH HARD

FOCUS ON YOUR LORD ONLY

LESSONS:

DON'T CRY IN PROBLEMS → EASE IS COMING!

ALLAH CONTROLS YOUR FAME

ALWAYS MAKE TIME FOR ALLAH

4) Short Memorize Flow

└─ Allah's 3 Favours:

| 1 Expanded heart (comfort)

| 2 Removed burden

| 3 Elevated fame

└─ Promise: Hardship → Ease (twice!)

LESSON 4: SURA AT-TIN

1) Definitions

Sura At-Tin is the 95th sura, 8 Ayats, revealed in Makkah. Named from the first word "Tin" meaning "Fig".

Shan-i-Nuzul: This sura was not revealed for a specific event. Rather, it is a general direction for mankind about their creation and ultimate fate.

2) Summary (1/3 of Original)

Translation (Meaning)

1. By the Fig and the Olive,
2. And by Mount Tur (Sinai),
3. And by this secure city (Makkah),
4. Surely We created man in the best form (mould),
5. Then We reduced him to the lowest of the low,
6. Except those who believe and do righteous deeds; for them is an unending reward.
7. So what makes you deny the Day of Judgement?
8. Is not Allah the Best of Judges?

Explanation

Allah swears by four blessed things:

- Fig and Olive (fruits growing in Syria/Palestine, lands of many Prophets)
- Mount Tur (where Musa spoke to Allah)
- Makkah, the secure city (home of the Kaaba, birthplace of Prophet Muhammad)

These oaths emphasize the next statement: **man is created in the best form**. No other creature has such a perfect shape and intellect.

However, if man does evil deeds and ignores faith, he is reduced to the lowest level—lower than animals.

But those who have **faith and do good deeds** are the exception. They will receive an endless reward (Paradise).

The sura ends by asking: After all this truth, what makes you deny the Day of Judgment? Allah is the Most Just of all judges.

Teachings

1. Man is the best and most beautiful creation.
 2. Dignity depends on good deeds. Evil deeds lower man below beasts.
 3. Good doers get unending reward in Akhirat.
 4. Allah is the Greatest Judge; He will judge everyone fairly.
 5. No sensible person should deny the Day of Judgment.
-

3) Caveman Mode

SURA AT-TIN (THE FIG)

ALLAH SWEARS BY:

-  FIG & OLIVE (BLESSED FRUITS)
-  MOUNT SINAI (WHERE MUSA TALKED TO ALLAH)
-  MAKKAH (SAFE CITY)

THEN SAYS:

I MADE MAN IN BEST SHAPE 

BUT IF MAN IS BAD → HE BECOMES LOWEST OF LOW  (WORSE THAN ANIMALS)

EXCEPT: BELIEVERS + GOOD DEEDS = UNENDING REWARD 

LAST QUESTION:

"WHY DO YOU DENY JUDGMENT DAY?"

"ISN'T ALLAH THE BEST JUDGE?" 

LESSON:

YOU ARE MADE BEST → ACT LIKE BEST → GET BEST REWARD

BE BAD → BECOME WORST

4) Short Memorize Flow

SURA AT-TIN (95th, Makki, 8 Ayats)

- |— Oaths by 4 sacred things
- |
- |— Man created in best form
- |
- |— Sin reduces man to lowest
- |
- |— Exception: Believers + Good deeds = Endless reward
- |
- |— Challenge: Why deny Judgement Day? Allah is Best Judge

LESSON 5: SURA AL-MAUN

1) Definitions

Sura Al-Maun is the 107th sura, 7 Ayats, Makki. The name comes from "Maun" meaning "small kindnesses/petty articles of daily use".

2) Summary (1/3 of Original)

Translation (Meaning)

1. Have you seen the one who denies the Day of Judgement?
2. For that is the one who drives away the orphan,
3. And does not encourage the feeding of the poor.
4. So woe to those who pray,
5. Those who are heedless (careless) of their prayer,
6. Those who make a show (of their deeds),
7. And withhold small kindnesses (refuse even petty help).

Explanation

This sura describes the behaviour of those who deny the Day of Judgement (Kafirs and Munafiqs).

- They mistreat orphans, driving them away harshly.
- They don't feed the poor, nor encourage others to do so.
- They pray, but their prayer is just for show; they are careless, praying without heart or attention.
- They even refuse to lend the smallest household items to neighbours.

For them, there is "woe" (destruction and punishment).

Teachings

1. Denying the Day of Judgement is a terrible thing.
2. Do not mistreat orphans; help them.
3. Encourage feeding the poor.
4. Don't be careless in Salat; pray sincerely for Allah, not for show.
5. Even small acts of kindness matter. Refusing them is a sign of hypocrisy.
6. Hypocrites and neglectful worshippers face destruction.

3) Caveman Mode

SURA AL-MAUN (SMALL KINDNESSES)

BAD PEOPLE:

- 🚫 DENY JUDGMENT DAY
- 👤 PUSH AWAY ORPHANS
- 🏠 DON'T FEED POOR

BAD PRAY-ERS:

- 🙏 PRAY FOR SHOW (NOT FOR ALLAH)
- 😬 PRAY WITHOUT CARE
- 💖 REFUSE TO LEND SMALL THINGS (LIKE SALT, BUCKET)

ALLAH SAYS:

"WOE TO THEM!" = DESTRUCTION COMING ✨

LESSONS:

- HELP ORPHANS AND POOR
- PRAY WITH HEART, NOT FOR SHOW
- BE KIND EVEN IN SMALL THINGS

4) Short Memorize Flow

LESSON 6: HADITH – 1 (Relating to Niyyat or Motive)

1) Definitions

Niyyat means intention, motive, purpose, determination. This Hadith is the very first Hadith of Sahih Bukhari.

Text from the book: **Arabic & Meaning:** "In fact, all deeds (their results) are dependent on intention." (Bukhari)

2) Summary (1/3 of Original)

Explanation

Every human action is connected to intention. Allah will judge all deeds based on the Niyyat behind them.

- If a person does a good deed with a good intention, he gets reward.
- Even if he fails after trying with good intention, he still gets reward.
- If he does a seemingly good deed with a bad intention (e.g., to show off), he gets no reward—rather it's considered bad.

The Prophet (Sm.) continued the Hadith with an example: "If a person migrates (Hijrat) seeking Allah's pleasure and His Messenger, he gets that reward. And if he migrates for worldly gain or to marry a woman, he gets only that for which he migrated."

Background: The Hadith was said about a person who migrated to Madinah not for Islam but to marry a woman named Umm Qais. His Hijrat was for marriage, so he got no reward for religious migration.

Teachings

1. Niyyat is the purpose/aim behind an action.
2. Success of deeds depends on intention.

3. Good Niyyat → reward even if deed fails.
 4. Bad Niyyat → no reward, even if deed looks good.
 5. Allah sees the heart, not just the outward action. So keep intention pure for Allah's pleasure alone.
-

3) Caveman Mode

HADITH 1: ALL ABOUT NIYYAT (INTENTION)

"ALL DEEDS DEPEND ON INTENTION"

EXAMPLE:

MOVE TO MADINAH FOR ALLAH → REWARD 🏆

MOVE TO MADINAH TO MARRY WOMAN → GET ONLY WOMAN, NO REWARD

RULE:

GOOD DEED + GOOD NIYYAT = REWARD ✅

GOOD DEED + BAD NIYYAT (SHOW OFF) = NO REWARD ❌

TRY GOOD BUT FAIL + GOOD NIYYAT = STILL REWARD ✅

ALLAH WATCHES YOUR HEART, NOT JUST YOUR HANDS

4) Short Memorize Flow

HADITH 1 (Niyyat) - Bukhari

├— Deeds depend on intentions

|

├— Good intention → Reward

├— Bad intention → No reward

|

├— Example: Hijrat for Allah vs. for marriage

|

└— Lesson: Purify intention for Allah only

LESSON 7: HADITH – 4 (On Plantation)

1) Definitions

Hadith on Plantation: The Prophet (Sm.) taught that planting a tree or growing a crop is an act of charity (Sadaqah) if any living being eats from it.

Text from the book: **Arabic & Meaning:** "If a Muslim plants a sapling (tree) or grows any crop, and if some birds, men or animals eat a portion from that, then it will be counted as charity on his behalf." (Bukhari and Muslim)

2) Summary (1/3 of Original)

Explanation

This Hadith highlights the importance of agriculture and environmental protection.

- Planting trees and farming are extremely beneficial for human life. We get food, medicine, wood, fruits, and oxygen.
- Trees help prevent floods, droughts, and climate warming.
- Even if animals, birds, or other people eat from what you grow, it is considered Sadaqah (charity) for you.
- No work is mean; all honest work is noble. The Prophet himself encouraged farming and tree-planting.
- You get continuous reward (Sadaqah Jariyah) even after your death as long as the tree provides benefit.

Teachings

1. Planting trees is a virtuous act.
2. Environment is protected through plantation.
3. Birds, animals, and humans have a share in what we grow— it's not wasted; it's recorded as charity.
4. Every Muslim should plant trees and grow crops if able.

5. This is a continuous charity that keeps rewarding.

3) Caveman Mode

HADITH 4: PLANT A TREE 🌳

YOU PLANT A TREE 🌳

BIRD EATS FRUIT 🐦 → YOU GET CHARITY REWARD

COW EATS LEAF 🐮 → CHARITY REWARD

HUMAN EATS FRUIT 🍎 → CHARITY REWARD

NOTHING WASTED! ALLAH COUNTS IT AS SADAQAH.

SO PLANT MORE TREES = COLLECT MORE REWARDS = HELP EARTH TOO 🌍

TREE GIVES: FOOD, OXYGEN, SHADE, FRUITS, WOOD

YOU GET: MONEY + PARADISE REWARD

4) Short Memorize Flow

HADITH 4 (Plantation) – Bukhari & Muslim

- └─ Plant tree or grow crop
- └─ Any creature eats from it
- └─ Counted as charity for planter
- └─ Environment protection is worship
- └─ Continuous reward after death

LESSON 8: HADITH – 8 (On Honesty in Business)

1) Definitions

Honest and Trustworthy Businessman: One who conducts trade with truthfulness and fulfills trusts.

Text from the book: **Arabic & Meaning:** "On the Day of Resurrection, an honest and trustworthy businessman will be in the company of the prophets, the truthful, and the martyrs." (Tirmizi)

Another hadith from similar context (from book page 91): "An honest and trustworthy businessman will be with the martyrs on the Day of Qiyamat." The text also mentions the two conditions: honesty and trustworthiness.

2) Summary (1/3 of Original)

Explanation

Business is a noble profession. The Prophet himself was a trader. An honest businessman is highly regarded: on the Day of Judgment, he will be in the company of prophets, the truthful (Siddiqun), and martyrs.

Two conditions for this great status:

1. **Honesty** – no lies, no fraud, no cheating in dealings
2. **Trustworthiness** – fulfill contracts, give exact measure, don't hide defects

If these two are observed, the businessman will have no fear on that Day and will be blessed with Paradise like the martyrs.

Forbidden business practices: giving less measure, selling bad goods as good, adulteration, hoarding, black marketing, fraud, lying, etc. These destroy the reward entirely.

Teachings

1. Business is a lawful and noble occupation if done honestly.
2. Honesty and trustworthiness are essential qualities in trade.
3. Honest businessmen will be in the highest company on Judgment Day.
4. All forms of cheating, lying, and fraud in business are strictly forbidden.
5. Integrity in trade leads to success both in this world and the Hereafter.

3) Caveman Mode

HADITH 8: HONEST SHOPKEEPER 🏰

ON JUDGMENT DAY:

HONEST TRADER = STANDING WITH PROPHETS, MARTYRS, TRUTHFUL HEROES 🏆

TWO RULES:

1. ALWAYS TELL TRUTH (NO LIES)
2. ALWAYS BE TRUSTWORTHY (NO CHEATING)

DON'T DO:

- ✗ GIVE LESS WEIGHT
- ✗ HIDE FAULTS IN GOODS
- ✗ ADULTERATE (MIX BAD WITH GOOD)
- ✗ HOARD (HIDE TO RAISE PRICE)
- ✗ SELL FAKE AS REAL

DO:

- ✓ FAIR PRICE
- ✓ CORRECT MEASURE
- ✓ HONEST ADVERTISEMENT
- ✓ KEEP PROMISES

4) Short Memorize Flow

└— Result: Paradise and highest company

LESSON 9: HADITH – 10 (Concerning Zikr)

1) Definitions

Zikr means remembrance of Allah. This Hadith teaches two short but highly rewarding sentences of Zikr.

Text from the book: **Arabic & Meaning:** "There are two such sentences which are very dear to Allah. These are easy to express or pronounce and very heavy on the Balance. These two sentences are: 'Subhanallah Wa Bihamdihi, Subhanallahil Azim' (Allah is the Most Holy, and All Praise are due to Him; and Allah is the Most Holy and He is the Most Great)." (Bukhari)

2) Summary (1/3 of Original)

Explanation

The Prophet (Sm.) taught two simple sentences of Zikr:

1. **Subhanallah Wa Bihamdihi** – Glory be to Allah and praise be to Him.
2. **Subhanallahil Azim** – Glory be to Allah, the Most Great.

Their excellence:

- **Very dear to Allah:** They declare His holiness, greatness, and praise.
- **Easy on the tongue:** Even non-Arabs can learn them quickly; they are light to pronounce.
- **Heavy on the Scale:** On Judgment Day, these small words will weigh extremely heavy on the Mizan (balance of deeds), tipping the scale toward Paradise.

Reciting these often brings huge reward and Allah's pleasure.

Teachings

1. Allah loves to be glorified and praised.
2. These two sentences are very beloved to Allah.
3. They are easy to say but carry immense weight on Judgment Day.

4. Recite them frequently to increase good deeds.
 5. Simple Zikr can be the key to Paradise.

3) Caveman Mode

HADITH 10: MAGIC WORDS OF ZIKR 🌟

SAY THESE TWO SENTENCES:

1. SUBHANALLAH WA BIHAMDIHI (GLORY & PRAISE TO ALLAH)
2. SUBHANALLAHIL AZIM (GLORY TO ALLAH THE GREAT)

WHY SAY THEM:

- ♥ MOST LOVED BY ALLAH
- 🗨 EASY TO SAY (LIGHT ON TONGUE)
- ⚖ SUPER HEAVY ON JUDGMENT SCALE → GETS YOU TO PARADISE!

SAY THEM DAILY = BIG REWARD, SMALL EFFORT 🏆

4) Short Memorize Flow

HADITH 10 (Zikr) - Bukhari

└─ Two sentences:

- | 1 Subhanallah Wa Bihamdihi
- | 2 Subhanallahil Azim

└─ Qualities:

- | └─ Dear to Allah
- | └─ Easy on tongue
- | └─ Heavy on Mizan

└─ Lesson: Recite often for reward

LESSON 10: AL-IJMA (THE THIRD SOURCE OF SHARIAT)

1) Definitions

Al-Ijma is an Arabic word meaning:

- To agree, to be united, to establish agreed opinion
- Consensus of opinion

In Islamic terminology: The consensus of pious Mujtahids (expert scholars) of a certain age on a particular issue is called Ijma. It must be supported by Quran and Sunnah, not opposed to them.

2) Summary (1/3 of Original)

Rise of Ijma

Ijma was practiced even in the time of the Prophet (Sm.), who consulted his companions on various issues and decided based on consensus. Allah says: "And their affairs are resolved on the basis of mutual consultation." (Sura Ash-Shura, Ayat 38)

After the Prophet, the Righteous Caliphs used Ijma to solve new problems:

- If not found in Quran, they looked in Hadith.
- If not in Hadith, they convened the leading companions and solved by consensus.
- Examples: Compilation of Quran during Abu Bakr's (Ra.) time; fixing Tarawih at 20 rakats during Umar's (Ra.) time.

Rule and Effectiveness

Ijma is the third source of Shariat, after Quran and Sunnah. Acting upon rules based on Ijma is obligatory.

Importance and Legitimacy

The Quran and Hadith support Ijma:

- "You are the best community raised for mankind." (Sura Al-i-Imran, Ayat 110)
- "Thus We have made you a moderate nation." (Sura Al-Baqara, Ayat 143)

If Mujtahids agree on something, rejecting it is a serious sin. Allah says: "If anybody opposes the Prophet after guidance is clear and follows a path other than the believers, We will cast him into Hell." (Sura An-Nisa, Ayat 115). "Path of the believers" here indicates Ijma.

The Prophet (Sm.) said: "Whatever the Muslims see as good, it is good in the sight of Allah." (Tabarani) and "Certainly Allah will not let my Ummah agree on misguidance. The hand of Allah is upon unity. Whoever separates, he will go to Hell." (Tirmizi)

Ijma is thus a sound source of Islamic law.

3) Caveman Mode

IJMA = SCHOLARS AGREE ON SOMETHING = LAW BECOMES ISLAMIC RULE

HOW IT WORKS:

NEW PROBLEM → NO ANSWER IN QURAN OR HADITH → BIG SCHOLARS SIT TOGETHER → THEY ALL AGREE ON SOLUTION → THAT'S NOW LAW

EXAMPLE: COMPILING QURAN INTO ONE BOOK (ABU BAKR TIME) = IJMA

QURAN & HADITH SAY:

MUSLIMS ARE BEST COMMUNITY

THEY WON'T ALL AGREE ON WRONG

SO IF THEY AGREE → IT'S RIGHT

DON'T GO AGAINST IJMA = HELL

4) Short Memorize Flow

IJMA (Third Source of Shariat)

└─ Meaning: Consensus of scholars

|

└─ Origin: Practice of Prophet & Companions

|

└─ Rule: Obligatory to follow

|

└─ Proof: Quran (Sura Nisa 115, Sura Al-i-Imran 110) + Hadith ("Ummah won't agree on error")

|

└─ Status: Third after Quran & Sunnah

LESSON 11: AL-QIYAS (THE FOURTH SOURCE OF SHARIAT)

1) Definitions

Al-Qiyas means:

- To guess, compare, measure, suppose, conjecture
- Analogical reasoning

In Islamic terminology: Resolving a new issue not found in Quran, Sunnah, or Ijma by using intellect based on the resemblance of existing laws. In short, comparing a new problem to a similar old problem with the same ruling.

2) Summary (1/3 of Original)

Importance of Qiyas

Human life and society constantly change. New situations arise that were not present before. Islam is a complete and dynamic code of life. To answer these new questions scientifically, Qiyas is used. It makes Islamic law universal and applicable for all times.

Principles of Qiyas

Certain conditions must be met for valid Qiyas: A. The original ruling used for comparison must be firmly established by Quran, Sunnah, or Ijma. B. Qiyas must not contradict Quran, Sunnah, or Ijma. C. The method of deduction must remain within the bounds of human knowledge and Islamic jurisprudence. D. No law can be made opposing established principles of jurisprudence.

In short, Qiyas is a scientific and logical tool to extend Islamic law to new situations without changing the fundamentals. It has given dynamism and universality to Shariat.

3) Caveman Mode

QIYAS = ANALOGY = COMPARE NEW THING WITH OLD RULE

EXAMPLE:

QURAN SAYS WINE IS HARAM (BECAUSE IT INTOXICATES)

NEW DRUG APPEARS → ALSO INTOXICATES → SAME RULE → ALSO HARAM

THAT'S QIYAS

RULES OF QIYAS:

- ☑ OLD RULE MUST BE FROM QURAN/SUNNAH/IJMA
- ☑ NEW RULING CAN'T GO AGAINST QURAN/SUNNAH
- ☑ MUST USE LOGIC, NOT WILD GUESSES

WHY NEED QIYAS:

NEW THINGS KEEP COMING (INTERNET, DRUGS, IVF) → QIYAS GIVES ISLAMIC ANSWER

KEEPS ISLAM RELEVANT FOREVER

4) Short Memorize Flow

QIYAS (Fourth Source of Shariat)

└─ Meaning: Analogical reasoning

|

└─ Example: Wine haram → all intoxicants haram

|

└─ Conditions:

|

└─ Based on original Shariat text

|

└─ No contradiction with Quran/Sunnah/Ijma

|

└─ Must be logical

|

└─ Importance: Solves new problems, keeps Islam dynamic

LESSON 12: TERMINOLOGY CONCERNING RULES OF SHARIAT

1) Definitions of Key Terms

Farz (Obligatory): Rules proved by irrefutable proofs from Quran and Sunnah, mandatory to follow. Denying them is Kufr.

Farz-i-Ain: Obligatory on every single Muslim individually (e.g., five daily prayers, fasting Ramadan).

Farz-i-Kifaya: Collective obligation; if some Muslims perform it, the rest are free of blame, but if none do, all are sinful (e.g., funeral prayer).

Wajib (Necessary): Next to Farz; almost obligatory but based on slightly less definitive proof. Denial does not cause Kufr, but missing it is a major sin (e.g., Witr prayer, Eid prayers).

Sunnat: Acts that the Prophet (Sm.) did, ordered, or approved.

- **Sunnat-i-Muqqadah:** Emphasized Sunnah, the Prophet consistently performed it and insisted on it (e.g., two rakats before Fajr, four before Zuhr). Abandoning it is sinful.
- **Sunnat-i-Zaida** (or Ghair Muqqadah): Additional Sunnah, the Prophet sometimes did and sometimes left. Performing it brings reward, leaving it is not sinful (e.g., four rakats before Asr).

Mustahab (Preferable/Recommended): Also called Nafil or Mandub. Acts that the Prophet encouraged but did not command strictly. Doing them brings reward, leaving is not sinful.

Mubah (Permissible): Deeds where the Shariat gives choice; doing or not doing brings no reward or punishment.

Halal (Lawful): Everything that Allah and His Messenger have explicitly permitted. The default state of things is Halal unless there is a prohibition.

Haram (Forbidden): Things clearly prohibited by Quran and Sunnah. Doing Haram is a major sin; considering Haram as Halal is disbelief.

2) Summary (1/3 of Original)

These terms define the hierarchy of Islamic legal rulings:

1. **Farz** – Must do. Neglecting = major sin, punishment; denial = Kufr. Two types:
 - Farz-i-Ain: on every Muslim individually (prayer, fasting)
 - Farz-i-Kifaya: on community (funeral prayer)
2. **Wajib** – Very close to Farz. Must do; missing = major sin, but denial isn't Kufr. Example: Witr prayer, Eid prayer.
3. **Sunnat** – Following the Prophet (Sm.)'s example.
 - Muqqadah: Stressed, abandoning is sinful.
 - Zaida: Optional, reward for doing, no sin for leaving.
4. **Mustahab/Nafil** – Recommended but not required. Reward for doing, no sin for leaving.
5. **Mubah** – Neutral; no reward or punishment either way.
6. **Halal** – Permitted, the vast majority of things. Things are Halal unless proven Haram.
7. **Haram** – Forbidden under clear evidence. Sinful to commit, and belief that something Haram is Halal is Kufr. Examples: pork, alcohol, usury, bribery, gambling, dead meat, blood, etc.

Influence of Halal: Halal food brings purity to body and soul, encourages worship, leads to good character, and ensures acceptance of du'a.

Influence of Haram: Haram food and earnings harden the heart, incline toward evil deeds, cause du'a to be rejected, and ultimately lead to Hell. The Prophet said: "That body (human) which is formed of Haram, will be the fuel of Hell." (Ahmad, Baihaqi).

3) Caveman Mode

SHARIAT RULES HIERARCHY:

- FARZ = MUST DO. MISSING = BIG SIN. DENY = KUFR.
EXAMPLE: 5 PRAYERS, FASTING
- ◆ WAJIB = ALMOST FARZ. MISSING = SIN, BUT NOT KUFR.
EXAMPLE: WITR PRAYER
- SUNNAT = PROPHET'S WAY.
TWO TYPES:
 - MUQQADAH: STRESSED, LEAVING = SIN
 - ZAIDA: OPTIONAL, REWARD BUT NO SIN FOR LEAVING
- MUSTAHAB = LIKED BY ALLAH, NO SIN IF LEFT.
- MUBAH = DO OR DON'T, NO REWARD/PUNISHMENT.
- ✓ HALAL = ALLOWED. MOST THINGS ARE HALAL.
EATING HALAL → PURE HEART, PRAYERS ACCEPTED
- ✗ HARAM = FORBIDDEN. SMALL LIST.
EXAMPLES: PORK, ALCOHOL, BRIBERY, USURY, DEAD ANIMALS
EATING HARAM → BAD HEART, DU'A NOT ACCEPTED, FUEL FOR HELL

4) Short Memorize Flow

TERMINOLOGY OF SHARIAT RULES

- |— Farz (Ain/Kifaya) - Mandatory, denial = Kufr
- |— Wajib - Near-Farz, missing = major sin
- |— Sunnat (Muqqadah/Zaida) - Prophetic example
- |— Mustahab/Nafil - Recommended
- |— Mubah - Neutral
- |— Halal - Lawful (most things)
- |— Haram - Forbidden (specific list)
 - |— Effect of Halal: Pure life, accepted worship
 - |— Effect of Haram: Hard heart, rejected du'a, Hell

LESSON 1: IBADAT (THE CONCEPT OF WORSHIP)

1) Definitions

Ibadat is an Arabic word meaning:

- To express absolute humility and humbleness
- To be extremely submissive
- Servitude, obedience

In Islamic terminology: Ibadat means obeying all the commands of Allah in every aspect of daily life. It is not just ritual prayer; it includes every action done to please Allah—praying, fasting, honest business, helping others, even eating and sleeping with the right intention.

Allah says: "I (Allah) have created the species of jinn and man for My worship only." (Sura Az-Zariyat, Ayat 56)

Haqqullah: The rights of Allah over His servants; duties toward Allah (Salat, Sawm, Hajj, Zakat, belief).

Haqqul Ibad: The rights of fellow human beings (parents, relatives, neighbours, workers, the needy, even non-Muslims).

2) Summary (1/3 of Original)

What is Ibadat?

Ibadat is not limited to prayer and fasting. It includes everything a person does according to Allah's command. Doing a job, studying, caring for family—all become Ibadat if done with the intention of pleasing Allah.

The Prophet's companions were sent to teach mankind how to worship and live. The Quran says: "You tell (O Prophet), obey Allah and His Rasul. If they turn away, then know, Allah does not like the Kafirs." (Sura Al-Imran, Ayat 32)

Importance of Ibadat

Without worship, man becomes like an animal, or even worse. The Quran describes those who do not use their hearts, eyes, and ears for truth as being "like cattle, rather more astray." (Sura Al-Araf, Ayat 179)

Ibadat gives life meaning and brings success in both worlds. Even working to earn Halal living is worship if done with sincerity.

Haqqullah (Rights of Allah)

These are obligations that belong to Allah alone:

- Belief in His Oneness
- Performing Salat, Sawm, Zakat, Hajj
- Obeying His commands and prohibitions
- Surrendering to Him in all situations

Haqqul Ibad (Rights of People)

Man is a social being. Rights of others include:

- Parents: obedience, care
- Spouses and children: support
- Relatives: maintaining ties
- Neighbours: kindness
- Workers: fair wages
- The poor and needy: help
- Non-Muslims: justice and peaceful dealings

The Prophet (Sm.) said: "A Muslim has six rights upon another Muslim: return greeting, visit the sick, attend funerals, accept invitations, help the oppressed, and respond to sneezing." (Bukhari and Muslim)

3) Caveman Mode

IBADAT = NOT JUST PRAYER. EVERY GOOD DEED FOR ALLAH = WORSHIP.

ALLAH MADE HUMANS AND JINN TO WORSHIP HIM.

TWO KINDS OF DUTIES:

1. HAQQULLAH → ALLAH'S RIGHTS

PRAY, FAST, GO HAJJ, BELIEVE IN ONE GOD, OBEY RULES.

2. HAQQUL IBAD → PEOPLE'S RIGHTS

RESPECT PARENTS, HELP NEIGHBOURS, PAY WORKERS FAIRLY,
VISIT SICK, FEED POOR, DON'T HURT ANYONE.

DOING BOTH = PERFECT MUSLIM = SUCCESS IN BOTH WORLDS.

4) Short Memorize Flow

IBADAT

|

├─ Meaning: Obedience + Submission to Allah in all life

|

├─ Scope: Rituals + Daily conduct with good intention

|

├─ Two Branches:

|

├─ Haqqullah (Duties to Creator: Salat, Sawm, etc.)

|

├─ Haqqul Ibad (Duties to Creation: Parents, poor, workers)

|

└─ Result: Pleases Allah, brings peace and success

LESSON 2: SALAT (PRAYER)

1) Definitions

Salat is an Arabic word; its Persian synonym is **Namaz**. It means:

- Supplication, to ask for forgiveness, to seek mercy

- The specific act of worship consisting of standing, bowing, prostrating, and sitting while reciting Quran and praising Allah.

In Islam: Salat is the second pillar of Islam. Five daily prayers are Farz (Fajr, Zuhr, Asr, Maghrib, Isha).

The Prophet (Sm.) said: "Islam is built on five pillars: ... and to establish Salat." (Sahih Bukhari)

2) Summary (1/3 of Original)

Religious Importance

Salat is the first thing for which accounts will be taken on the Day of Qiyamat (Tirmizi). It distinguishes a believer from a disbeliever. The Prophet (Sm.) said: "Salat is the identifier between Iman and Kufr." (Tirmizi)

Salat restrains a person from evil and indecency. The Quran says: "Surely Salat restrains man from obscenity and evil deeds." (Sura Ankabut, Ayat 45)

When a companion asked about the five daily prayers, the Prophet (Sm.) explained: "If there is a river by your door and you bathe in it five times a day, would any dirt remain on you?" They said no. He said, "Likewise, the five daily prayers wash away sins." (Bukhari and Muslim)

The Prophet (Sm.) also said: "The best worship of my Ummah is the recitation of the Quran, and Salat is the key to it."

Social Importance

Congregational prayer (Jama'at) brings twenty-seven times more reward than praying alone. It gathers Muslims five times a day, fostering:

- Brotherhood: rich and poor stand shoulder to shoulder
- Equality: no distinction in rows before Allah
- Discipline: everyone follows the Imam in unison
- Unity: forgetting personal differences

The Quran commands: "You bow down with those who bow down." (Sura Al-Baqara, Ayat 43)

Thus, Salat trains a person in punctuality, cleanliness, obedience, and community spirit.

3) Caveman Mode

SALAT = 5 DAILY PRAYERS = SECOND PILLAR OF ISLAM

WHY PRAY:

- STOPS YOU FROM BAD DEEDS
- 🛀 WASHES SINS LIKE BATHING IN RIVER 5 TIMES
- 🔦 LIGHT FOR YOU IN LIFE AND GRAVE
- 📖 FIRST THING ASKED ON JUDGMENT DAY

CONGREGATION PRAYER = 27X MORE REWARD

STANDING TOGETHER = RICH & POOR SAME ROW = EQUALITY

NEVER SKIP PRAYER WITHOUT VALID EXCUSE.

PRAYER = DIFFERENCE BETWEEN MUSLIM AND NON-MUSLIM.

4) Short Memorize Flow

SALAT (Prayer)

|

|— Meaning: Supplication & connection with Allah

|

|— Religious:

| |— Second pillar

| |— Washes sins

| |— Restrains from evil

| |— First account on Qiyamat

|

|— Social:

| |— Jama'at = 27x reward

| |— Equality & unity

| |— Discipline & punctuality

|

|— Obligation: 5 times daily, Farz

LESSON 3: SAWM (FASTING)

1) Definitions

Sawm means:

- To abstain, to stop, to restrain
- In Shariat: To abstain from eating, drinking, and sexual relations from dawn (Subh Sadiq) until sunset with the intention (Niyyat) of worship.

Sawm in Ramadan is the third pillar of Islam. Fasting the entire month of Ramadan is Farz on every adult, sane, healthy Muslim.

2) Summary (1/3 of Original)

Importance of Sawm

Fasting is a training for Taqwa (God-consciousness). The Quran says: "O you who believe! Fasting is prescribed for you as it was prescribed for those before you, so that you may become Muttaqi (God-fearing)." (Sura Al-Baqara, Ayat 183)

Fasting teaches:

- Self-discipline: controlling desires
- Empathy: feeling hunger makes one understand the suffering of the poor
- Gratitude: appreciating Allah's blessings of food and drink
- Spiritual cleansing: sins are forgiven; the Prophet (Sm.) said: "Whoever fasts Ramadan with Iman and seeking reward, his past sins are forgiven." (Bukhari and Muslim)
- Health benefits

Teachings of Sawm

- Patience: long hours without food or water develop endurance
- Sincerity: fasting is a hidden act; only Allah truly knows if one is fasting, so it's a training for Ikhlas
- Laylatul Qadr: the Night of Power in Ramadan is better than a thousand months

- Generosity: charity is encouraged, especially giving Iftar to others
- Quran: the month of Quran; Tarawih prayers, recitation, reflection

3) Caveman Mode

SAWM = FASTING IN RAMADAN = THIRD PILLAR

NO FOOD 🚫🍴 NO DRINK 🚫💧 NO BAD DEEDS 🚫👁️
FROM FAJR TO MAGHRIB (DAWN TO SUNSET)

WHY FAST:

- 🛡️ BUILD TAQWA (ALLAH-CONSCIOUSNESS)
- 💖 FEEL HUNGER → UNDERSTAND POOR PEOPLE
- 🗣️ LEARN SELF-CONTROL
- 💎 ALL PAST SINS FORGIVEN (IF SINCERE)

BONUS: LAYLATUL QADR = 1000 MONTHS OF WORSHIP! 🕌

FASTING = SECRET WORSHIP, ONLY ALLAH KNOWS YOU'RE TRULY FASTING.

4) Short Memorize Flow

```
SAWM (Fasting)

|   ├─ Patience
|   ├─ Sincerity
|   ├─ Generosity
|   └─ Quran connection
|
└─ Obligation: Ramadan, Farz

LESSON 4: ZAKAT (CHARITY TAX)

1) Definitions

Zakat literally means:

- Holiness, purity, growth, increase

In Shariat: Paying 2.5% of one's surplus wealth that has been held for a full lunar year above the Nisab (minimum threshold) on specified categories of recipients.

Nisab: The minimum amount of wealth that makes Zakat obligatory (equivalent to 85 grams of gold or 595 grams of silver).

Zakat is the **third pillar of Islam**. The Quran frequently pairs Zakat with Salat: "Establish prayer and pay Zakat." (Sura An-Noor, Ayat 56)

2) Summary (1/3 of Original)

Social Importance of Zakat

Zakat is not a charity given by the rich to the poor out of pity; it is the **right of the poor** in the wealth of the rich. The Prophet (Sm.) called it "the bridge of Islam." (Baihaqi)

Benefits of Zakat in society:

- Bridges the gap between rich and poor
- Removes economic disparity and class conflict
- Creates social security: the poor can meet their basic needs
- Prevents hoarding of wealth among the rich
- Establishes brotherhood and mutual love
- Eradicates poverty and prevents crimes born of need

The Quran says: "...so that wealth may not circulate only among the rich among you." (Sura Al-Hashr, Ayat 7)

Overall Importance

- Religious: Third pillar, obligatory like Salat; neglecting it brings severe punishment
 - Moral: Purifies the giver from greed and miserliness
 - Economic: Keeps money flowing, stimulates the economy
 - Spiritual: Cleanses the heart from love of wealth
-

3) Caveman Mode

ZAKAT = OBLIGATORY CHARITY = THIRD PILLAR

SAVE MONEY FOR 1 YEAR → HAVE MORE THAN NISAB (MINIMUM AMOUNT) → PAY 2.5% TO THE POOR.

NOT A FAVOUR! IT'S THE RIGHT OF THE POOR.

WHY ZAKAT:

- 💰 RICH SHARE WITH POOR
- 💖 NO MORE "VERY RICH" VS "VERY POOR" FIGHTS
- 💎 PURIFIES YOUR MONEY
- ♥️ CREATES LOVE IN SOCIETY

ZAKAT = BRIDGE BETWEEN RICH AND POOR.

NO ZAKAT = SOCIETY BREAKS.

4) Short Memorize Flow

```
ZAKAT (Charity)
|
|— Meaning: Purification, growth
|
|— Rules: 2.5% on surplus wealth held 1 year, above Nisab
|
|— Social Impact:
|   |— Removes poverty
|   |— Economic justice
|   |— Bridges class gap
|   |— Social peace
|
|— Obligation: Third pillar, Farz
|
|— Warning: Those who don't pay face severe punishment
```

LESSON 5: EMPLOYER-EMPLOYEE RELATIONSHIP

1) Definitions

Employer: One who hires another person to work for them. **Employee/Worker:** One who works under an employer for wages.

In Islam: The relationship is based on brotherhood, mutual rights, and justice. The worker is not a slave but a brother whose rights must be respected.

2) Summary (1/3 of Original)

Islamic Principles for Employers

- Treat workers with kindness and dignity. The Quran says: "Deal decently with... your subordinates." (Sura Nisa, Ayat 36)
- Pay wages promptly: The Prophet (Sm.) said: "Pay the worker his wages before his sweat dries." (Ibn Majah)

- Do not overburden: "He must not be burdened with work beyond his capacity." (Muslim)
If a heavy task is given, the employer must help.
- Provide food and clothing of the same quality that the employer himself uses: "Feed them from what you eat, clothe them from what you wear." (Bukhari, Muslim)
- Forgive mistakes: The Prophet (Sm.) said a worker should be pardoned up to 70 times a day. (Tirmizi)
- Fix wages beforehand to avoid disputes.

Duties of Workers

- Work sincerely and with honesty. The Prophet (Sm.) said: "When a worker performs his duties nicely and worships Allah properly, he gets double reward." (Bukhari and Muslim)
- Do not betray trust, steal time, or produce poor quality work.

The excellent relationship was practiced by the Prophet (Sm.) himself. Hazrat Anas (Ra.) said: "I served the Prophet (Sm.) for ten years; he never scolded me, never said 'Why did you do this?' or 'Why didn't you do that?'" (Bukhari)

3) Caveman Mode

WORKER AND BOSS = BROTHERS IN ISLAM

BOSS MUST:

- ☒ PAY WAGES ON TIME (BEFORE SWEAT DRIES)
- ☒ GIVE SAME FOOD & CLOTHES AS HE WEARS
- ☒ DON'T OVERLOAD WORK
- ☒ FORGIVE MISTAKES (UP TO 70 TIMES/DAY!)
- ☒ TREAT WITH RESPECT, NO SHOUTING

WORKER MUST:

- ☒ DO JOB HONESTLY
- ☒ NOT CHEAT TIME OR WORK
- ☒ BE LOYAL

BOTH DO THIS = PEACE IN FACTORIES, SHOPS, OFFICES = DOUBLE REWARD FOR WORKER, PLEASURE FOR BOSS.

4) Short Memorize Flow

EMPLOYER-EMPLOYEE RELATIONSHIP

└─ Employer's Duties:

- | └─ Prompt pay
- | └─ Fair workload
- | └─ Same food/clothes
- | └─ Kindness & forgiveness
- | └─ Fix wage before work

└─ Employee's Duties:

- | └─ Sincere work
- | └─ Trustworthiness

└─ Model: Prophet (Sm.) & Hazrat Anas (10 years service, never scolded)

LESSON 6: 'ILM (KNOWLEDGE)

1) Definitions

'Ilm is an Arabic word meaning:

- Knowledge, to know, to be informed, learning

In Islamic parlance: 'Ilm is to realize the exact condition or reality of something. Knowledge that brings one closer to Allah and benefits humanity.

The first revelation was: "Read in the name of your Lord Who created." (Sura Al-Alaq, Ayat 1)

2) Summary (1/3 of Original)

Importance of 'Ilm in Islam

- The first word revealed was "Iqra" (Read). This shows the foundational importance of knowledge.
- Allah elevates the ranks of those who have knowledge: "Allah will raise in rank those who believe and those who have been given knowledge." (Sura Al-Mujadala, Ayat 11)

- The Prophet (Sm.) said: "Seeking knowledge is compulsory for every Muslim." (Ibn Majah)
- Learned scholars are the heirs of the Prophets. (Tirmizi)
- Knowledge distinguishes truth from falsehood, Halal from Haram.

Kinds of 'Ilm

Two main divisions:

1. **'Ilm-i-Deeni (Religious knowledge):** Knowledge of Quran, Hadith, Fiqh, Tafsir, beliefs, worship, and Shariat.
2. **'Ilm-i-Duniya (Worldly knowledge):** Mathematics, science, medicine, engineering, literature, etc.

Another classification:

- **Beneficial knowledge (Adoptable):** That which brings good in this world and the Hereafter—morality, medicine, useful sciences.
- **Harmful knowledge (Avoidable):** That which causes harm—immorality, theft techniques, terrorism, destructive weapons used unjustly.

Islam requires that every Muslim learn the basics of Deen, and that within a community, some must specialize in religious knowledge to guide others.

The Quran says: "Why does not a group from every section go forth to gain understanding in religion and warn their people when they return?" (Sura At-Tauba, Ayat 122)

3) Caveman Mode

'ILM = KNOWLEDGE = LIGHT 💡

ALLAH'S FIRST WORD: "READ!" 📖

WHY LEARN:

📈 ALLAH RAISES YOUR RANK

👥 PROPHET SAID: "SEEKING KNOWLEDGE IS FARZ ON EVERY MUSLIM"

👑 SCHOLARS = HEIRS OF PROPHETS

TWO TYPES:

1. RELIGIOUS KNOWLEDGE → QURAN, HADITH, FIQH
2. WORLD KNOWLEDGE → MATH, SCIENCE, MEDICINE

AVOID BAD KNOWLEDGE (THEFT, TERRORISM, SIN)

EVERY MUSLIM MUST LEARN BASICS OF DEEN.

SOME MUST BECOME DEEP SCHOLARS TO GUIDE OTHERS.

4) Short Memorize Flow

'ILM (Knowledge)

|

├─ First command: "Read"

|

├─ Importance:

| └─ Elevates rank

| └─ Compulsory (Farz)

| └─ Scholars = heirs of Prophets

|

├─ Types:

| └─ Deeni (Religious)

| └─ Duniya (Worldly)

| └─ Beneficial (adoptable)

| └─ Harmful (avoidable)

|

└─ Obligation: Basics for all, specialists for community

LESSON 7: CHARACTERISTICS OF A LEARNER (STUDENT)

1) Definitions

LESSON 8: STUDENT-TEACHER RELATIONSHIP

1) Definitions

Teacher: One who imparts knowledge; an architect of the nation, standing next to parents.

Student: One who receives knowledge from the teacher.

In Islam: The relationship is compared to that of a parent and child, or even that of a master and slave in terms of respect owed.

Hazrat Ali (Ra.) said: "I am the slave of the one who taught me a word. He may sell me, free me, or keep me as a slave."

2) Summary (1/3 of Original)

Nature of Relationship

- The teacher is like a spiritual parent. Parents give physical life; teachers give intellectual and moral life.
- The Prophets were teachers to their Ummahs; the scholars are their heirs.
- The Prophet (Sm.) said: "The Ulama (scholars) are the heirs of the Prophets. They inherit not wealth, but knowledge." (Tirmizi)
- As children respect and obey parents, students must respect and obey teachers.

Duties of Students toward Teachers

- Obedience and deep respect
- Humble behaviour
- Seeking knowledge from them with eagerness
- Defending their honour
- Praying for them

Why It Matters

This bond ensures the transmission of not just knowledge but also morals and values. A student who disrespects the teacher cannot truly benefit from the knowledge. The ideal student-teacher relationship creates a harmonious learning environment where character is built alongside intellect.

3) Caveman Mode

TEACHER = SPIRITUAL PARENT = BUILDER OF NATION

ALI (RA) SAID: "I AM SLAVE OF THE ONE WHO TAUGHT ME ONE WORD"

STUDENT MUST:

- 👮 OBEY AND RESPECT
- ❤️ LOVE THE TEACHER
- 🙏 PRAY FOR THEM
- 📖 LEARN WITH HUMILITY

WITHOUT RESPECT → NO REAL KNOWLEDGE ABSORBED

TEACHER-STUDENT BOND = LIKE PARENT-CHILD

TEACHER GIVES KNOWLEDGE, STUDENT CARRIES IT FORWARD.

LESSON 9: JIHAD

1) Definitions

Jihad is an Arabic word meaning:

- To strive, to exert effort, to labour, to struggle
- To put in maximum effort for a noble cause

In Islamic terminology: Jihad is to uphold the Deen of Allah and establish truth and justice through sacrifice of life, wealth, knowledge, writing, and speech. It is **not** synonymous with war or killing.

Allah says: "And strive in Allah's way with a striving befitting for Him." (Sura Al-Hajj, Ayat 78)

2) Summary (1/3 of Original)

Three Types of Jihad

1. **Jihad against the evil self (Jihad al-Nafs):** The greatest Jihad. Struggling to control one's desires, shun sins, and obey Allah. The Prophet (Sm.) said: "A true Mujahid is he who struggles against his own Nafs (evil self) for the sake of Allah." (Musnad Ahmad)
After returning from the battle of Badr, he said: "We have returned from the minor Jihad to the major Jihad." (Jihad against the self) (Kanzul Ummal)
2. **Jihad by knowledge and Quran:** Conveying truth with wisdom, debating falsehood with proof. The Quran calls this "the great Jihad" (Sura Al-Furqan, Ayat 52: "So do not obey the disbelievers, and strive against them with it [the Quran] a great striving.")
3. **Jihad by fighting (Qital):** Taking up arms to defend Islam and the oppressed, only when necessary, under strict rules. This is the highest level of physical sacrifice.

Importance of Jihad

- Protecting the Deen is an obligation.
- Jihad ensures peace and freedom to practice Islam.
- It is not for conquest, power, or wealth.

- The Prophet (Sm.) said: "A slave whose feet are covered with dust in Allah's path, the Fire will not touch him." (Bukhari)
 - Overall, Jihad is a comprehensive effort to bring good and remove evil.
-

3) Caveman Mode

JIHAD = STRUGGLE FOR TRUTH (NOT JUST FIGHTING!)

3 TYPES:

1. FIGHT YOUR OWN BAD DESIRES 🗨️✂️👁️ (BIGGEST JIHAD)
2. FIGHT WITH KNOWLEDGE & QURAN 🗣️ (TEACH PEOPLE TRUTH)
3. FIGHT WITH SWORD (ONLY FOR DEFENSE, UNDER RULES) ✂️🛡️

JIHAD = FOR PEACE, JUSTICE, ALLAH'S LAW
NOT FOR MONEY, POWER, OR KILLING INNOCENTS.

MUJAHID = ONE WHO STRUGGLES. THE ONE WHO CONTROLS HIS ANGER & DESIRE IS THE GREATEST MUJAHID.

4) Short Memorize Flow

```
JIHAD
|
|— Meaning: To strive, exert effort
|
|— Types:
|   1 Jihad al-Nafs (self-control) - Greatest
|   2 Jihad by knowledge/Quran - Great
|   3 Jihad by fighting (conditional, last resort)
|
|— Purpose: Uphold truth, justice, peace
|
|— Reward: Protection from Hell, Allah's pleasure
```

LESSON 10: JIHAD AND TERRORISM

1) Definitions

Terrorism: Creating terror among innocent people, causing harm and destruction, for material or political gain.

Jihad: A sacred struggle to establish justice, peace, and Allah's Deen, strictly governed by Islamic rules of engagement.

2) Summary (1/3 of Original)

Key Differences Between Jihad and Terrorism

Jihad	Terrorism
Goal: Establish justice, peace, and Allah's law	Goal: Material gain, power, dominance
Protects innocent lives; killing of non-combatants, women, children, elderly is strictly forbidden	Targets and kills innocent civilians without discrimination
Has strict ethics: no mutilation, no destruction of crops, no killing of monks/priests	No ethics; mass destruction, bombings, suicide attacks
Called for by legitimate Islamic authority	Carried out by individuals or groups without authority
Response to oppression after exhausting peaceful means	Unprovoked violence
The Prophet's wars over ~100 conflicts had very minimal casualties overall	Modern terrorism causes massive civilian deaths

Islam's Condemnation of Terrorism

The Quran says: "Whoever kills an innocent person, it is as if he has killed all mankind." (Sura Al-Maida, Ayat 32)

The Prophet (Sm.) strictly forbade killing of women, children, the elderly, religious people in their monasteries, and even cutting trees or destroying animals except for food.

Actions like bomb blasts, hijacking, kidnapping, and killing civilians in the name of Jihad are actually **haram** and a distortion of Islamic teachings. They are pure terrorism and have no connection with true Jihad.

The objective of Islamic Jihad is to end oppression, not to create it. The Quran says: "Fight them until there is no more oppression and the religion is for Allah." (Sura Al-Anfal, Ayat 39) – meaning, freedom for all to practice faith without coercion.

3) Caveman Mode

JIHAD ≠ TERRORISM! BIG DIFFERENCE!

JIHAD:

- ✓ FIGHTS OPPRESSION
- ✓ SAVES INNOCENTS
- ✓ RULES: DON'T KILL WOMEN, KIDS, OLD PEOPLE, FARMERS, MONKS
- ✓ FOR PEACE & FREEDOM OF RELIGION
- ✓ ORDERED BY LEGITIMATE LEADER
- ✓ MINIMAL HARM

TERRORISM:

- ✗ KILLS INNOCENT PEOPLE
- ✗ BOMBS MARKETS, BUSES, MOSQUES
- ✗ NO RULES
- ✗ FOR MONEY, POWER, FEAR
- ✗ ANY CRAZY PERSON DECIDES TO DO IT
- ✗ MAXIMUM HARM

ISLAM FORBIDS KILLING ONE INNOCENT = KILLING ALL HUMANITY.

MODERN "JIHAD" ATTACKS = TERRORISM, NOT JIHAD.

4) Short Memorize Flow

JIHAD vs TERRORISM

|

|— Jihad: Justice, ethics, defensive, limited, legitimate

|

|— Terrorism: Injustice, no ethics, offensive, unlimited, illegitimate

|

|— Islam forbids killing innocents (Quran 5:32)

|

|— Conclusion: They are complete opposites

LESSON 1: AKHLAQ-I-HAMIDAH (ADMIRABLE CHARACTER)

1) Definitions

Akhlaq means character, nature, conduct.

Hamidah means admirable, praiseworthy.

Akhlaq-i-Hamidah means noble, excellent, and lovable character traits that are pleasing to Allah and His Messenger (Sm.). It is also called **Akhlaq-i-Hasanah** (beautiful character).

Examples: truthfulness, keeping promises, cleanliness, kindness, forgiveness, modesty, service to humanity.

2) Summary (1/3 of Original)

What is Akhlaq-i-Hamidah?

It is the decent, clean, refined qualities of human character. When a person's conduct, speech, and manners are excellent by the standard of Shariat, that is Akhlaq-i-Hamidah.

Importance

Good character is the best human asset and the foundation of success in both worlds. The Prophet (Sm.) said:

- "More favourite to Allah is the person who is most excellent in conduct." (Ibn Hibban)
- "Among the Mumins he is the best who possesses the best character." (Tirmizi)
- "Good character is a reward by itself." (Muslim)

Allah Himself praised the Prophet's character: "You indeed stand on the most magnificent character." (Sura Al-Qalam, Ayat 4)

The Prophet (Sm.) proclaimed: "I have been sent to bring excellent qualities of character into perfection." (Baihaqi)

On the Day of Qiyamat, nothing will be heavier on the Mizan (Scale) than good character. (Tirmizi)

In society, a person of noble character is loved, trusted, and respected. If everyone maintains good conduct, envy, hatred, and fighting disappear, and peace prevails.

Thus, Akhlaq-i-Hamidah is the heart of Islam and the key to happiness and Paradise.

3) Caveman Mode

LESSON 2: TAQWA (GOD-CONSCIOUSNESS)

1) Definitions

Taqwa means:

- To abstain, to fear, to protect oneself

- God-consciousness, piety
- Leading life by saving oneself from all kinds of sin according to Quran and Sunnah.

Muttaqi: A person who possesses Taqwa.

2) Summary (1/3 of Original)

What is Taqwa?

Taqwa is the fear of Allah and the awareness that He sees all our actions. A Muttaqi always remembers Allah and avoids anything that displeases Him.

Importance of Taqwa

- Allah commands Taqwa repeatedly in the Quran: "O you who believe! Fear Allah as He should be feared." (Sura Al-Imran, Ayat 102)
- Taqwa is the best provision for the Hereafter.
- It brings Allah's love, help, and forgiveness.
- A Muttaqi is honoured in the sight of Allah regardless of wealth or status.

Influence on Life

- A person with Taqwa stays away from sins, both open and hidden.
- It brings peace of heart and contentment.
- In difficulties, he remains patient, trusting Allah.
- In happiness, he is grateful, not arrogant.
- Taqwa ensures Halal earning, honest dealings, and good treatment of others.

The Prophet (Sm.) said: "Fear Allah wherever you are, and follow up a bad deed with a good deed—it will erase it. And treat people with good character." (Tirmizi)

Thus, Taqwa is the foundation of a moral life.

3) Caveman Mode

TAQWA = ALLAH FEAR IN YOUR HEART ❤️

LESSON 3: KEEPING PROMISE

1) Definitions

Keeping Promise (Wafa bil-Ahd): Fulfilling one's commitments, keeping one's word, honouring agreements.

The opposite is breaking promises, which is a sign of a hypocrite (Munafiq).

2) Summary (1/3 of Original)

Importance of Keeping Promises

Keeping promises is a core Islamic virtue. Allah says: "O you who believe! Why do you say that which you do not do? Greatly hateful in Allah's sight is that you say what you do not do." (Sura As-Saff, Ayat 2-3)

The Prophet's Example

The Prophet (Sm.) was known as **Al-Ameen** (the Trustworthy) even before prophethood, because he always kept his word. He never broke a promise.

Signs of a Munafiq

Breaking promises is one of the three signs of a hypocrite: "When he speaks, he lies; when he promises, he breaks it; when he is trusted, he betrays." (Bukhari)

Therefore, a true Muslim:

- Always fulfills promises made to family, friends, business partners, and even enemies.
- Fulfills agreements and contracts.
- Teaches children to keep their word.

Consequences

Keeping promises builds trust, strengthens relationships, and earns Allah's pleasure. Breaking promises leads to loss of trust, social disorder, and severe punishment.

Allah commands: "And fulfill the covenant; indeed, the covenant will be questioned about."
(Sura Al-Isra, Ayat 34)

3) Caveman Mode

KEEP YOUR PROMISE! ❤️

PROPHET WAS CALLED "THE TRUSTWORTHY" BECAUSE HE ALWAYS KEPT HIS WORD.

WHO BREAKS PROMISES? = MUNAFIQ (HYPOCRITE) 🙄

ALLAH SAYS: WHY DO YOU PROMISE BUT NOT DO? THAT'S HATE-FUL!

KEEP PROMISE = PEOPLE TRUST YOU, ALLAH HAPPY.

BREAK PROMISE = NOBODY TRUSTS YOU, ALLAH ANGRY.

PROMISE MADE = DEBT. MUST PAY IT BACK.

LESSON 4: PATRIOTISM

1) Definitions

Patriotism/Wataniyyah: Love for one's homeland, country, or motherland. It means being loyal to one's nation, working for its welfare, and even sacrificing for its protection.

In Islam: Patriotism is a natural feeling and a part of faith. True Muslims love their country and work for its peace and progress.

2) Summary (1/3 of Original)

Importance of Patriotism in Islam

A true Mumin loves his own country. He works for its good and defends its independence. The Prophet (Sm.) was a true patriot. When forced to leave Makkah, he looked back with tears and said: "O my native land! How nice you are! I love you. Had not the people of my own tribe conspired against me, I would never have left you."

Patriotism as Worship

Protecting the homeland is considered Ibadat. The Prophet (Sm.) said: "To keep awake guarding the border in Allah's way is better than all the treasures between the heavens and the earth." (Tirmizi)

How to Show Patriotism

- Defending the country's independence.
- Contributing to national development.
- Never helping anti-state activities.
- Maintaining and protecting national resources and public property.
- Being honest and dutiful in one's profession.
- Loving fellow citizens and working for their welfare.
- Being ready to sacrifice life for the country if needed.

Warning

Those who do not love their country are ungrateful. Treason and harming the nation are major sins. Patriotism is not just a slogan; it is shown through sincere service and sacrifice.

3) Caveman Mode

PATRIOTISM = LOVE YOUR COUNTRY BD

PROPHET LOVED MAKKAH SO MUCH HE CRIED WHEN LEAVING IT.
